SHADES *Minetto* SHADES

FLOCK AND GOLD SHADE.

THE DADO SHADES

Are among the most popular designs made. They are perfectly executed, unique, artistic, and meriting the large demand we have for them. They are handsomely finished and mounted on the **Minetto Spring Roller**, each Shade wrapped and clearly stamped with the design, number, color and length.

PLAIN, OPAQUE AND HOLLAND SHADES.

Our line of Plain and Fringed Cloth Shades, mounted and wrapped in the same manner as the Dado Shades, includes all the popular Minetto colors.

MINETTO SPRING ROLLERS

Manufactured by us are perfect in workmanship, made of the best material, have ample spring power, and are superior to the fixtures used by the trade.

Marble City Writing Paper. Elegant and Low Priced. Manu-

THE TUTTLE CO.

White Paper Flour Sack.

We are manufacturing an absolutely NEW PAPER FLOUR SACK, CORDUROYED OVER ITS WHOLE SURFACE, which while *adding strength* by the clinching of the fibers in fine lines, gives to this paper sack the

STRETCHINESS OF COTTON.

Since the first paper sack was produced, the great desire has been to make it as

WHITE AND AS STRONG AS COTTON.

No known material had sufficient strength for sack purposes except rope manilla. *We guarantee this sack as the strongest, most elastic and durable* paper shipping sack ever made, combining in itself the color and appearance of Cotton.

The Tuttle Co., Rutland,

Are our agents for these sacks, as well as our other flour sacks.

ARTESIAN LITHIA SPRING COMPANY, BALLSTON SPA., N. Y.

I received the case of water and began using it at once; have taken eight bottles, one bottle a day, a glass on retiring at night and one the first thing in the morning, and the effect is marvelous, almost miraculous. *It suits me*, found almost instant relief; it has regulated the bowels, and I no longer suffer from constipation; eat well, sleep soundly, and am free from pain. If I could not get the water here, I should want to come to Ballston Spa., and buy a home; for it seems from the benefit I have derived from its use now and heretofore, that with this invaluable remedy at hand when needed a person could drink and live forever.

Very truly yours, S. N. SNEDEKER, Hempstead, N. Y.

Captain T. D. ABRAMS, of the Steamer Saratoga, Citizens' Line of Steamers, says:

New York, August 13, 1892.

GENTLEMEN:—I take great pleasure in giving my testimony to the good qualities of ARTESIAN LITHIA WATER for the eradication of gall stones. My wife was afflicted for a long time with this painful disease, and after having consulted several eminent physicians, with poor success, your water was recommended by a lady who had tried it with successful results. My wife began using it over a year ago and is now free from the disease. I will always heartily recommend your water for the cure of gall stones.

T. D. ABRAMS.
